

Only One Dollar for the Balance of the Year 1901

BUT FIVE HUNDRED NEEDED

It has been decided to offer the EVANGELIST to new subscribers the balance of the year for one dollar, and make a special effort to increase the present list to 3,000.

Except to our agents we have not heretofore made known the number of subscribers on our list. At present the list aggregates 2550, but of these quite a number have not yet renewed, and some will no doubt drop off, so that to make the full 3,000 subscribers we must count on at least 500 more. We have carefully calculated the number of papers going into each of the several Conference Districts, and so far as reliable statistics are at hand we have formulated the following proportionate table, showing how many of the 500 should go into each of the several districts so as to preserve the proper proportion:

California, Oregon, Washington, and Idaho,
Indiana District,
Illinois, Iowa, Dakota and Missouri,
Kansas, Nebraska, Wisconsin and Colorado,
Ohio District,
Pennsylvania District,
Maryland Va., West Va., and D. C.,
Michigan District,

This table will be repeated each week until April 1, 1901, and new subscribers coming in will be credited to the state or district from which they are sent. Pastors, agents, and all others interested in the success of our publication interests, we appeal to you for a thorough canvass of the field. Get your people together and learn into what homes the paper is now going, and where it is not going, make a list of all members in your congregation not subscribers to the EVANGELIST and then canvass them for subscriptions. Who will be the first to respond? From what state or district? Please examine this table each week and see where your district stands in the list. Let us stir up a little wholesome rivalry; it will not do us any harm and will help the Publishing House immensely. From how many districts shall we have the privilege to report next week? Remember that it will be March 1 before this paper reaches you and that will give you about five weeks or a little less to get the subscribers asked for. Take as an example the state of Indiana which claims 45 organized churches; two subscribers on an average from each congregation will give it 90 of the 95 indicated in the table. Is there a congregation in the entire brotherhood that does not have two members who do not take the EVANGELIST? We know of one congregation with 75 members, without a single subscription to the EVANGELIST.
